

# AskSprut Onboarding

If your team is currently tracking regulations in spreadsheets, you're not alone. Many organizations rely on manual tools to keep up with regulatory requirements, but that process can be time-consuming, error-prone, and difficult to scale.

Our onboarding service is a value-added service designed to make your transition to AskSprut seamless. We work directly with your spreadsheets to extract, organize, and map your existing regulatory tracking into the platform.

Whether you're tracking a few hundred rows or managing thousands of records, we tailor the onboarding to your scope. By aligning your current process with AskSprut's powerful features, you reduce the learning curve and help your team gain immediate value.

## Benefits:

- We upload your data
- We configure your favorites
